RECITALS

Whereas, the County and Contractor have entered into a Contract approved by the County Board on June 19, 2013, (hereinafter referred to as the "Contract"), wherein the Contractor is to provide Domestic Violence Partner Abuse Intervention Program Services (hereinafter referred to as the "Services") from July 1, 2013 through June 30, 2016, with two (2) one (1) year renewal options, in an amount not to exceed \$170,000.00; and

Whereas, a renewal is desired for the continuation of Services; and

Whereas, an increase in the amount of \$45,000.00 is required for the continuation of Services; and

Whereas, the County and Contractor desire to renew the Contract for one (1) one (1) year renewal beginning on July 1, 2016.

Whereas on July 17, 2013, the Cook County Board of Commissioners passed Ordinance 13-O-35 (the "Ordinance") which modifies the Cook County Procurement Code ("Procurement Code") by adding a definition for "Professional Social Service Contract" or "Professional Social Service Agreement" to Section 34-121 of the Procurement Code;

Whereas, Ordinance 13-O-35 further amended the Procurement Code by adding Section 34-146, which requires that any Contractor performing services under a Professional Social Service Agreement or Professional Social Service Contract is to provide an annual performance report to the Using Agency that includes but is not limited to relevant statistics, an empirical analysis where applicable, and a written narrative describing the goals and objectives of the contract or agreement and programmatic outcomes;

The annual performance report shall be provided and reported to the Cook County Board of Commissioners by the applicable Using Agency within forty-five days of receipt. Failure of the Contractor or provider to provide an annual performance report will be considered a breach of contract or agreement by the Contractor or provider, and may result in termination of the Contract or agreement.

Sarah's Inn - Petition for Waiver of MBE/WBE Participation

Sarah's Inn respectfully requests a waiver of the required MBE/WBE participation under contract# 1388-12707 because it would substantially increase our cost of doing business and it would be economically infeasible. Sarah's Inn is a domestic violence agency and the partner abuse intervention services that are provided under this contract represent less than 1% of our overall agency expenses per year. The space that the groups are held in and the space for client intakes are donated to us by West Suburban Hospital and the Oak Park Police Department. There are virtually no direct expenses other than the staff salary that are booked to this program. Even the 2 part time staff who provide the facilitation for groups and do intakes only work 5 hours per week.

In the past, Sarah's Inn has contracted with MBE/WBE vendors for IT services and office supplies. The costs were substantially higher than our existing vendors and this additional cost increased the portion of the partner abuse intervention services as a whole. Those services are not directly needed by this program as explained above.

Good Faith Efforts to Obtain MBE/WBE Participation

The Finance and Operations Director, has been in contact with Aleatha Easley, in the Contract Compliance Office, for guidance and clarification.

FAMILIAL RELATIONSHIP DISCLOSURE PROVISION

Nepotism Disclosure Requirement:

Doing a significant amount of business with the County requires that you disclose to the Board of Ethics the existence of any familial relationships with any County employee or any person holding elective office in the State of Illinois, the County, or in any municipality within the County. The Ethics Ordinance defines a significant amount of business for the purpose of this disclosure requirement as more than \$25,000 in aggregate County leases, contracts, purchases or sales in any calendar year.

If you are unsure of whether the business you do with the County or a County agency will cross this threshold, err on the side of caution by completing the attached familial disclosure form because, among other potential penalties, any person found guilty of failing to make a required disclosure or knowingly filing a false, misleading, or incomplete disclosure will be prohibited from doing any business with the County for a period of three years. The required disclosure should be filed with the Board of Ethics by January 1 of each calendar year in which you are doing business with the County and again with each bid/proposal/quotation to do business with Cook County. The Board of Ethics may assess a late filing fee of \$100 per day after an initial 30-day grace period.

The person that is doing business with the County must disclose his or her familial relationships. If the person on the County lease or contract or purchasing from or selling to the County is a business entity, then the business entity must disclose the familial relationships of the individuals who are and, during the year prior to doing business with the County, were:

- its board of directors,
- its officers.
- its employees or independent contractors responsible for the general administration of the entity,
- its agents authorized to execute documents on behalf of the entity, and
- its employees who directly engage or engaged in doing work with the County on behalf of the entity.

Do not hesitate to contact the Board of Ethics at (312) 603-4304 for assistance in determining the scope of any required familial
